Tonight it's been a year
We met each other here
Here I am all alone
As thoughts of you go on

(Pre-Chorus)

Hear me cryin' out to you
You said, never, never would I leave
Here's a tear for me to you
And maybe it will make you hear me

(Chorus)

I loved you
You didn't feel the same
Though we're apart
You're in my heart
Give me one more chance to
Make it real
In a dream you are here
You smile and hold me near
And in my heart I'll pretend
That you are hear again

(Repeat Pre-Chorus)

(Repeat Chorus)

(Guitar Solo)

(Repeat Chorus)

Give me one more chance to
Make it real
