[Chorus]

All I wanna do is be with you tonight
It's all I wanna do, girl
The feeling's right
All I wanna do is be with you tonight, baby
All I wanna do is you.

[Verse]

When I'm with you
It don't matter what we do
As long as I'm with you
When I need you -It don't matter where I am
As long as I'm with you.

[Bridge]

And I'll travel far
Just to be near where you are
No matter where you go
I'll follow you -Like a shining star.

[Chorus]

[Verse] When I'm with you
Do you feel the way I do
Whenever I'm with you
When you need me
I'll be there for you
Whenever you need me.

[Bridge +] ooh yeah girl

[BG] That's what you are.

[Chorus]

[Big Bridge]

Let's fly away me and you.
Do anything that you wanna do.
Just come with me
Take my hand
All I wanna do is be your man
No one else can be your man

[Chorus]

[Ad libs]

All I wanna do is be with you
Yeah girl [x 2]
Tonight, Just me and you [x 2]
Tonight girl, tonight
The things you do to me
I wish it could be
The way you want it to be
Tonight.
