[Talk intro]...I'm a new man

[Verse]

Feeling feelings that I never knew
That's because of the fact
That I'm so in love with you.
Feels like I'm flyin'
But I'm walkin' on the ground
That's because I'm so high
And I'm never comin' down.

[Bridge]

And to think that just a year ago
I was so strung out - And all alone
I never felt so low
Now I got the world in the palm of my hand.

[Chorus]

Because of you
I turned around my life
Because of you
I think of all the things that you do
I I turned around my life
Because of you
(Yeah, (figurin' ???) to let you know)

[Verse]

Never believed in miracles
Til' you opened up my eyes
Now I know just how it feels.
Ooh your love is right on time.
I'm so crazy 'bout your love.
Yeah- you blow my mind.

[Bridge]

My life is like a resurrection
Talk about your love- We're talkin' pure perfection.
Now I got the world in the palm of my hand.

[Chorus x2]

[Break]

You turn me up
You make me high
When I feel your love
I wanna fly
No matter what we're going through
There ain't nothing we can't do
You turn me up
You make me high
When I feel your love- I wanna fly
Now I know that dreams come true
Because of you

[Chorus...out]
