Can you blame me girl?
Gotta take me back!

[Verse]

What was I to do
I couldn't get over you
Thought that I could put
Your love on the shelf,
Get on by myself,
How could I be such a fool.

[Bridge]

Without your love is like,
The day is night
And I can't figure out
What's wrong or right.
I tried in vain,
But I couldn't stand the pain.

[Chorus]

I couldn't stay from your love.
Couldn't stay away from your love.
-Girl you drive me crazy.
Couldn't stay away.....
-You know I need you, baby.
Couldn't stay away....
Your love, your love

[Verse]

How can I get through to you?
What more do I have to prove?
Cuz girl you got me
Down on my knees.
I'm beggin' you please
For you to take me back.

*[Bridge]**[Chorus]*
