[Verse]

Someday I'm gonna buy a big fat car
And go to work to be a movie star.
I know I'm gonna have it all some day, hey, hey.

[Verse]

I'm gonna play some golf with Tiger Woods
And be a big shot up in Hollywood.
I know I'm gonna do it all someday, hey hey.

[Chorus]

[Joe:] But I can't do it without you.
[BG:] Can't do it without you
Can't do it. I can't do it without you.
[Ad lib:] No, without- no I can't.....

[Verse]

Someday I'm gonna fly around the moon
Gonna do it in a big balloon
I think that I could make it all the way, hey hey.

[Bridge]

If you believe in me
I got big plans
You be my girl
I'll be your superman.
I know I'm gonna be the man.
I can do it all.
I know I can.

[Chorus]

[Bridge]

[Chorus Out]
