It's a Party over here...

[Verse]

I've been sweatin' you for such a long long time
I'll give you everything
If I could make you mine
Girl, the time is now to
Let your feelings flow
I just got to know
If we can, we can, we can, we can Get Down

[Chorus]

We can get down
It's for real what you feel
It's all good babe
We can get down
Now's the time, Make you mine
Like I should babe.

[Verse]

Now don't you try to front
Cuz it's a natural feelin'
No use trying to hide it
Cuz your eyes are revealing
Don't you think it's time
That we start playin' games,
I know you feel the same
So we can *[x 3]*

[Chorus]

[Break]

We Can Get Down *[x 4]*

[Rap]

[Break]

[Chorus]
