Who? Who comes tonight  
You wanna be clear that you still doubt  
So stand again  
Patterns the void, the more it began

(Chorus)  
Hey, hey, hey, hey, hey

As soon as a wolf does nothing  
Wait, wait, wait, wait, wait  
They always wanna run you down  
It's better to face myself and

It really took so many  
Get back to line the wall  
You better touch to me  
You think I can't get warm  
It really took so many  
Then write to let that go

You're better outstanding

You're better outstanding  
You're better outstanding  
You're better outstanding

(Chorus)

Hey, hey, hey, hey, hey  
It's not gonna ruin this town  
As soon as a wolf does nothing  
Wait, wait, wait, wait, wait  
They always wanna run you down  
It's better to face...  
It's better to face myself and...
