This much delight  
Fills columns to new heights

All these things about me you never can tell

Colors burn bright  
They burn pictures so bright

All these things about me you never can tell  
Make me sleep so badly

Turn the dial on my words  
I can feel them fall short  
Turn the dial try my love, try my love  
Wash these hands  
Turn the dial on my words

Love can't stay here

These steps shadow  
Life's will gone shallow

All these things about me you never can tell  
Make me sleep so badly visible friend (X2)

Turn the dial on my words  
I can feel them fall short  
Turn the dial shine the light, shine the light  
Watch these hands move apart  
Turn the dial on my words

Love can't stay here
