A bip a little, bop a lot, baby
Shake a lot, a-what you got, baby
When the music is so fine
You gotta rock me all the time
Bip a little, bop a lot, baby

Let's go out tonight and have some fun
We can bop a lot and spend a little mon' (money)
I need to loosen up, so I can git with you
Bop a lot baby, gonna shake my blue

Well, bip a little, bop a lot, baby
Shake a lot, a-what you got, baby
When the music is so fine
You gotta rock me all the time
Bip a little, bop a lot, baby

Bip a little, bop a lot, baby
Shake a lot, a-what you got, baby
When the music is so fine
You gotta rock me all the time
Bip a little, bop a lot, baby

Well, we're gonna fly high and get low down
Rockin' and a-boppin' and shakin' it down
You can't take it with you
So you use it while you're here
Bop a lot baby, don't you have no fear

Well, bip a little, bop a lot, baby
Shake a lot, a-what you got, baby
When the music is so fine
You gotta rock me all the time
Bip a little, bop a lot, baby

Bip a little, bop a lot, baby
Shake a lot, a-what you got, baby
When the music is so fine
You gotta rock me all the time
Bip a little, bop a lot, baby
