Ya keep on losing your mind
I'm afraid I can't say the same
Complicated reasons are why.
I'm not the one who is left to blame.
Your constant crap is what I'm left to use
Can't take this kind of senseless abuse
You're left with nothing left to say
Coordinations not the only simple way.
Squirm, squirm
Go home and don't come back
Squirm, squirm
Go home and don't come back
Squirm, squirm
Go home and don't come back
Squirm, squirm
Go home and don't come back
Look at you, you dirty mindless wreck
Worthless as a minor tiny insect.
Crush your body, you're a centipede
Your mixed up ya, so reach inside and bleed.
Surely you won't mess with me

I'm telling you this ain't hostility

Confused your judgement, it's insanity

Your jaded by your own immunity.

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Squirm, squirm

Go home and don't come back

Confused your judgement, it's insanity

You're jaded by your own immunity.

Confused your judgement, it's insanity

You're jaded by your own immunity.

Confused your judgement, it's insanity

You're jaded by your own immunity
