Dream Girl

Hey Girl, are you out there?

I can see you in my mind.

You've been messin' with my head

Now I need to unwind

I saw you in my dream last night

I wanna sleep forever

Girl you have got to see

That we belong together

Where can I find you?

I just gotta know

This feelin' is amazing

Don't want to let it go

There you are again I see

You walkin' down the street

If I run around the corner

You'll be there and we can meet

I knew that when I found you, my mind would blow a fuse

But no more sleepin' through my days

Together we can't lose

Where can I find you?

I just gotta know

This feelin' is amazing

Don't want to let it go

Now that I've found you

You've just gotta know

This feelin' is amazing

Won't ever let it go!

I knew that when I found you, my mind would blow a
fuse

But no more sleepin' through my days

Together we can't lose

Where can I find you?

I just gotta know

This feelin' is amazing

Don't want to let it go

Now that I've found you

You've just gotta know

This feelin' is amazing

Won't ever let it go
