Do you know how to find what you're looking for

Stuck in a maze of promises, don't know what's real or  
not

Promise you anything, I'll never lie

Do you even know what it is you want

So how can I even try

It's all a mistake

How long will it take

When the dreams are all gone

How long till you wake

It's all a mistake

How long will it take

When the dreams are all gone

How long till you wake

Don't know how I came to this

Just trying to figure out what to do

How can he give you what you need

You think that I cannot

You're In a state of mind games, it feels like a check  
mate

None of us will win

And I don't think I can wait

It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake

-Bridge-

It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
It's all a mistake  
How long will it take  
When the dreams are all gone  
How long till you wake  
How long till you wake  
How long till you wake  
How long till you wake
