Yo skid, ya you, down on the row

What ya gonna do now? Where ya gonna go?

Yo skid, ya you, down on the row

What ya gonna do now? Where ya gonna go?

All we wanna do is ride the black

Jump here, jump there, take the gap

Heyman! Chillout! We're not crazy

Wantin' us to sit around just being lazy

Kids with nothin' just get into somethin'

Trouble is their middle name,

They just can't win

CHORUS 2x

We got it on gettin' into the grind

Puttin' metal to metal, what's blowin' our mind

Give us a place where we can ride on the edge

Not hoppin' downtown and sneakin' on a ledge

Don't be a "B I T" spell the rest

Alley oopin', kick flippin', jammin's the best

All we wanna do is ride the black

Jump here, jump there, take the gap

We got it on, gettin' into the grind

Puttin' metal to metal, what's blowin' our mind

Don't be a "B I T" spell the rest

Alley oopin', kick flippin', jammin's the best
