Wish you'd stayed the night last night

Woke up wanting to hold you tight

Always want but just can be, you're all that I see

And you take my breath away, never thought id feel
this way

But there's nothing left to say, I'll have to wait another
day.

Chorus: Had a vision: Unintended. Left thoughts
running through my head.

Fairy tales that never end and hearing words I thought
you said.

You smiled when I brought you here,

Whispered sweet nothings in my ear.

And what was it that you said when you slipped into my
bed?

Never told me why you came,

Was I just another game?

Thing's won't ever be the same,

I'll never love again.

Chorus 2x

Hearing words I thought you sid

words i thought you said

thought you said

thought you said

thought you said

You said.

Left thoughts running.
