"I don't need to be anything other than a prison guard's son
I don't need to be anything other than a specialist's son
I don't have to be anyone other than a birth of two souls in one
Part of where I'm going is knowing where I'm coming from

I don't want to be anything other than what I've been tryin to be lately
All I have to do is think of me and I've peace of mind
I'm tired of looking 'round rooms wondering what I gotta do
Or who I'm supposed to be
I don't want to be anything other than me

I'm surrounded by liars everywhere I turn
I'm surrounded by imposters everywhere I turn
I'm surrounded by identity crisis everywhere I turn
am i the only one to notice
I can't be the only one who's learned

I don't want to be anything other than what I've been trying to be lately
All I have to do think of me and I've peace of mind
I'm tired of looking 'round rooms wondering what I gotta do
Or who I'm supposed to be
I don't want to be anything other than me

Can I have everyone's attention please
if you're not like this and that
You're gonna have to leave

I came from the mountains
the crust of creation
My whole situation made from clay dust stone
and now I'm telling everybody

I don't want to be anything other than what I've been trying to be lately

All I have to do is think of me and I've peace of mind
I'm tired of looking 'round rooms wondering what I
gotta to do
Or who I'm supposed to be
I don't want to be anything other than me

I DONT WANT TO BE...
I DONT WANT TO BE...
I DONT WANT TO BE.... ANYTHING OTHER THAN..
