Well, I was standing in line at the city bus stop
Soaked to the skin from every rain drop
I see you driving by just like a Phantom Jet
With your arm around some little Brunette

You say you won't be home because you're working
late
Honey, I'm no fool, you've been out on a date
The lipstick on your collar gives your game away
It's strawberry red and mine's pink roses

Have mercy on me
You treat me so bad I'm in misery
It's breaking my heart, can't you see
Baby, baby, have mercy on me

Well, I called you up on the telephone
I could hear you was playin' 'Haggard and Jones'
I knew right then that there was something wrong
There's only one reason you play cheatin' songs

Have mercy on me
You treat me so bad I'm in misery
It's breaking my heart, can't you see
Baby, baby, have mercy on me

Well, I went up to the bank with my little check book
The cashier he gave me the strangest look
He said you ain't got no money 'cause you're over
drawn
Your man took it all and he's a done gone

Have mercy on me
You treat me so bad I'm in misery
It's breaking my heart, can't you see
Baby, baby, have mercy on me

Have mercy on me
You treat me so bad I'm in misery
It's breaking my heart, can't you see
Baby, baby, have mercy on me

Have mercy

Have mercy on me
You treat me so bad I'm in misery
It's breaking my heart, honey, can't you see
Baby, baby, have mercy on me
