Love ain't a candle  
It doesn't burn for one night  
And need the dark to shine  
Love is alive

And love ain't just a word  
In every dictionary  
With no where defined  
Love is a man and he's mine

Love is alive  
And at breakfast table  
Everyday of the week

Love is alive  
And it grows everyday and night  
Even in our sleep

Love is alive  
And it's made a happy woman out of me  
Oh, love is alive  
And here by me

Love ain't just a rule  
A distant far away dream  
That needs the night to rise  
Love is alive

And love ain't just a song  
Sweet words of music  
To go dancin' by  
Love is a man and he's mine

Oh, love is alive  
And at breakfast table  
Everyday of the week

Love is alive  
And it grows everyday and night  
Even in our sleep

Love is alive

And it's made a happy woman out of me  
Oh, love is alive  
And here by me

Oh, love is alive  
And at breakfast table  
Everyday of the week

Love is alive  
And it grows everyday and night  
Even in our sleep

Love is alive  
And it's made a happy woman out of me  
Oh, love is alive  
And here by me

Love is alive, here by me  
Love is alive, here by me
