I woke up this morning and the sun refused to shine
I looked everywhere to try to find that man of mine
I just found an ice-cold pillow layin' by my side

Well, the moon is down but it still ain't dawn
The world is dark and my baby's gone

I looked out the window and I could not help but cry
He left me all alone and never said goodbye
He even took that golden sunlight from the sky

Well, the moon is down but it still ain't dawn
The world is dark and my baby's gone

Sit here and wonder why he left me
I just try to think what I've done wrong
Stay in the darkness of this lonely room

Well, the moon is down but it still ain't dawn
The world is dark and my baby's gone

I woke up this morning and the sun refused to shine
I looked everywhere to try to find that man of mine
I just found an ice-cold pillow layin' by my side

Well the moon is down but it still ain't dawn
The world is dark and my baby's gone

Well the moon is down but it still ain't dawn
The world is dark and my baby's gone

Ain't no moonlight
(Ain't no moonlight)
Ain't no starlight
(Ain't no starlight)
Ain't no sunlight
(Ain't no sunlight)
My baby's gone
(Gone)

Ain't no moonlight
(Ain't no moonlight)

Ain't no starlight
(Ain't no starlight)
Ain't no sunlight
(Ain't no sunlight)
My baby's gone
(Gone)

Ain't no moonlight
(Ain't no moonlight)
Ain't no starlight
(Ain't no starlight)
Ain't no sunlight
(Ain't no sunlight)
My baby's gone
(Gone)
