River roll on
Wish I could be like you
No looking back
And no heart that breaks in two

You'll never know
What a goodbye can do
Oh, I wish I were you
River roll on

River roll on
Free as the winds that blow
Feelin' no pain
We just roll 'em with the flow

No tears to cry
No songs to make you blue
Oh, I wish I were you
River roll on

Oh, I never thought that
I could ever feel so all alone
But I'm learnin', the world keeps on a turnin'
Even though he's gone

River roll on
Keep rollin' endlessly
Down to the arms
Of the ever waiting sea

I wish that I
Had someone waitin' too
Oh, I wish I were you
River roll on

I wish that I
Had someone waitin' too
Oh, I wish I were you
River roll on

Oh, I wish I were you
River roll on

River roll on
River roll on
River roll on
River roll on
