"Testify To Love"

All the colors of the rainbow

All the voices of the wind

Every dream that reaches out

Reaches out to find where love begins

Every word of every story

Every star in every sky

Every corner of creation lives to testify

Chorus:

For as long as I shall live I will testify to love

Be a witness in the silences when words are not
enough

With every breath I take I will give thanks to God above

For as I shall live I will testify to love

From the mountains to the valleys

From the rivers to the seas

Every hand that reaches out

Every hand that reaches to offer peace

Every simple act of mercy

Every step to kingdom come

All the hope in every heart will speak what love has
done

Chorus 2
