DESTINY

words & music by Dan Castiel

Our souls intertwined, is our destiny
Our souls are sublime, it is our divinity
Together as one, we'll last an eternity
No one can change, change our affinity

chorus:

Bonded by love
Angel above
I can't get enough...
of you

The right of our way, is in our heart
At the end of the day, we will not be apart
Problems at bay, they were in the past
No one can say, say that it will not last

chorus
