[Trae]

I know you haters better run, I'm coming for you
And everyday a nigga repping, and riding for Screw
I was keeping it in my chest, now I'm getting it out
I know you spectators in the game, better close your
mouth

I got a lot of my time invested, up in this game
It's S.U.C. till I'm dead, ain't no need to explain
I'm in the Maab with guerillas, and we coming in packs
The only friends we got deep, and coming with black
gats

So niggaz'd back back, I'm a man dude with a attitude
And I'm too quick to click, Lil' Trae is a damn fool
In my zone leave me alone, I ain't trying to be fucked
with

Everything that I got, is everything that I wanna roll with
Me and me and myself, you niggaz bad for my health
Now I'm pumped up like Superman, with a uppercut to
be felt

I ain't playing with what I'm saying, you cats better start
praying

For Deebo commits to spraying, and everybody be
staying

[Hook]

Why, these fellas talking down
Don't they know, why we'll ride
And make somebody slide, beware
Why, these fellas talking down
Don't they know, why we'll ride
And make these bustsas hot, beware

[Bun B]

I'm chilling in my 1's, chopping game on my celly
My iced out cross, hanging down to my belly
Got your lil mama, butt naked shake her jelly
I'ma put her on a tape, and play it back on the telly
Boys hate to love the street show, when we showing up
I give me back the same middle finger, they be
throwing up
They can't afford the pints, by the case that we po'ing

up

Young in the game, it's time to start growing up
Get you some hustle, get you some grind
Show me some muscle, show me some shine
Fuck trying to crime, off another nigga name
It's just a matter of time, 'fore I run you out the game
Because I can't believe the nerve, of these hoes
Trying to use my nigga Pimp name, for benefit shows
Fin to start kicking in do's, with the macks
Trying to let that shit pass, now I'm coming for your ass
fool

[Hook]

[Trae]

It's the return of the mad rapper, industry nigga
subtractor
That be greed up in the fists, that be clinched like a
black panther
I'm sick and tired of you fakers, that try to twist up the
game
So now you gotta see me, like the 84's that I swang
My glock I cock and I aim, my name you fin to respect it
You let me off in your world, then I swear to God I'ma
wreck it
You must of thought I forgot about you, acting sue a
crowd'll watch you
I gotta get that up out you, your people gon be without
you
On top of that, niggaz be using my homie name
Saying the Screwed Up Click, so they can get them a
little change
Hopping from dick to dick, and I ain't even gon say no
name
I feel like I wanna click, so now you gon feel my pain
I'm Trae, and I ain't bar nan nigga in this drama
Or mama, I weave and I swang sending em through a
trauma
They tell me to let em make it, but really I ain't the one
Them bitches did it, so now they gotta see me when I
come

[Z-Ro]

Where the real niggaz at, cause I can't find none
Everybody be talking shit, when they be packing they
guns
Quick to shoot a motherfucker, to keep they face from
sweating
But when the laws come to bang one, snitching and
telling
Be these ol' buster ass niggaz, killing all in they music

Showing a four pound around town, but never gon use
it
I'm registered by my gangsta, you barely touching me
G
Now feel you got the edasity, to come and see me
Fuck it whoever wanna get some, can come and get
dropped
I'm a grown man I don't get people sued, I get people
shot
If you ain't shot, I wonder who gon be standing behind
the trigga
Z-Ro the Crooked, cause ain't no love for none of these
niggaz
Straight Profit to Presidential, trying to scandalize my
name
They can't sell records without me, that's a god damn
shame
I ain't to blame, why these niggaz ain't selling and
losing weight
But I'm to blame, when I go off and get the bruising
they face

[Hook]

(Z-Ro)
Make a nigga hot, yeeeah
Why you wanna hate me, S.U.C.
You niggaz can't be meee
My nigga T-R-A-E
And that's the way it's gonna be
Until a motherfucker take me
Me, and the M double A-B
We gon be thugging
Until we see you niggaz to see

[Talking]
Straight up, it's my cousin Trae nigga
These bitch ass niggaz can't fuck with you
