[Asia] Yeah

[Ghost] Yo, yo Asia, whattup God?

[Asia] It's the God Wu-Tang shit

[Ghost] Uh-huh, yeah baby, let's just murder this track

[Ghost] That's my word

[Asia] Yeah, Supa Dave West

[Ghost] Uh-huh, yeah (yeah) ayyo Lord spank 'em

[Planet Asia]

Yo, powerful rap robotic style off chronic to cosmic

Follow this flow from out the projects

My shine timeless, clique +Criminal Minded +

My time spent, knockin out daily assignments

The capacity of my writtens make y'all niggaz look  
mindless

In Mortal Kombat, I leave a challenger spineless

This five-five-nine shit, three strike off

Dirty cop killer music that the streets can absorb

Old souls run deep in my pores, your desperation

predate the Earth, formin the path of civilizations

Nappy academy, maunfactures the new slang

My singles be the jingle like, pockets of loose change

My crew bang to set the mic a-fire with Wu-Tang

school y'all, Wu-Tang all in your poontang

Bullies of the block knock, gun in your face

Run in your house, tie you up and run in your safe

I'm from a sheisty-ass place where the gangsters dwell

Crack sellin to rap federal, we takin this mail, what?

[Chorus: Planet Asia]

From borough to borough, block to block

It don't stop like paper when the new shit drop

To all my peoples in the hood on their way to the top

Get yours, whether anybody likes it or not

From city to city, and coast to coast

Real niggaz in the spot gotta profit the most

To all my peoples in the hood on their way to the top

Get yours, whether anybody likes it or not

[Ghostface Killah]

Aiyyo it's Tony the rapper, Starks the ballplayer

I won't rock Wally 'til they make more flavors  
+Bulletproof Wallets+, take off gators  
And my .22 shotty'll take off faces  
Eighty-eight Pumas, velour laces  
Dusted out in the staircase where {?} pays me  
So many hits I need both stages  
Your two.. your two cars can't touch my four bracelets  
One of the most Williest niggaz from Staten  
Ran through Manhattan with Wally's made of satin  
Cherry-pop coppertop niggaz rattin, guest what  
happened?  
Had to end a nigga with the mac-10  
Masquerades, feds ask and raid like  
Raekwon shallah still be in my PJ's  
They knew it was them, plus they saw him do well  
On tour with Theodore Genie actin full ill

[Chorus]

[Planet Asia]

Bust your gun, but I still touch ya son  
I don't run cause a nigga got, dusty lungs  
And when I talk people be like, you must be from  
the N.Y. but them I tell 'em nah I'm straight Californian  
Blunts make me born again, ballin where the Warlords  
dwell  
I still rank first place in the tournament  
Go 'head, act cocky, and meet your match  
Next time I see you bet you'll be one of the speechless  
cats  
Voice raspy suddenly all the hoes wanna gas me  
Heard I did a song with Ghost nasty  
My murder rap murder tracks, clean like a cat who  
dress flashy  
Y'all niggaz what's the ass be, they whole style trashy  
Uncut live I got to say one thing  
I'm the hardest workin EVER to step foot, in Chung King  
Unclean, this year, show you who run things  
Dumb things, more than a hundred thousand funding

[Chorus]

[Ghostface Killah]

Yeah, yeah whattup? Ghost Deini, Planet Asia  
Y'all know how we do, straight up  
I got my man Perm meetin me in the booth
