Avast! Heed the presages

Make all hands hoay!

And never second guess unless you're ready to attest
to Davey

Clench to your cutlasses

Make all hands hoay!

And bring us yet another fathom closer to our last
reprieve

One flag to heed (for all)

Until we bleed the utter sea my heart is taken

And I'll never leave this deck without wings

Until we bleed these open seas are left unshaken

And I'll never leave this deck without wings

Until we bleed

Alas! An aggress it is

Make all hands hoay!

And heave the capstan, off we are to make our stand at
sea

Gone with the eastern winds

Make all hands hoay!

And once again we're closer by the hour to our last
retreat

One man at sea (for all)
