Verse:

In my imagination I'm finding consolation  
Somewhere along the Rio Grande.  
Sadly I'm reminiscing, madly again I'm kissing  
Someone along the Rio Grande.

Chorus:

It happened in Monterey a long time ago.  
I met her in Monterey in old Mexico.  
Stars and steel guitars and luscious lips as red as wine  
Broke somebody's heart and I'm afraid that it was  
mine.

It happened in Monterey without thinking twice.  
I left her and threw away the Key to Paradise.  
My indiscreet heart longs for the sweetheart  
That I left in old Monterey.
