She's so self concious that it hurts
he thinks rock is king, it's everything

Standing closely always they must touch
they have sex straight, and call it making love

When love is hotter than Damit
when love is outta sight
don't take that love for granted
or you'll fry, fry, fry

Whisper to let everybody know
Seperate not and wear each others clothes

When love is hotter than Damit
when love is outta sight
don't take that love for granted
or you'll fry, fry, fry
When love is hotter than Damit
when love is outta sight
don't take that love for granted, damit
or you'll fry, fry, fry

you'll FRYYYYYYYyyyyyyyyyyyye
