Push on through dawn
(I was adored once too)
Push on through dawn
(I was adored once too)

Push on through dawn
(I was adored once too)
Push on through dawn
(I was adored once)

There are twelve kinds of people in this world, in this
world
But only one boy for this girl, for this girl
I'll never be without joy, without joy
'Cause I'll never leave future boy

Space pimp
Lover boy
Kirk out
Pride and joy

Push on through dawn
(I was adored once too)
Push on through dawn
(I was adored once too)

Push on through dawn
(I was adored once too)
Push on through dawn
(I was adored once too)

There are twelve kinds of people in this world, in this
world
But only one boy for this girl, for this girl
I'll never be without joy, without joy
'Cause I'll never leave future boy
(Future boy)

Space pimp
Hot wheels
Eighteen
Speed kills

Push on through dawn
(I was adored once too)
Push on through dawn
(I was adored once too)

Push on through dawn
(I was adored once too)
Push on through dawn
(I was adored once too)
