how do you think i did it  
with a check, with a smile  
it takes a special person  
to go that extra mile  
what do you think i was after  
make a friend for a while  
i didn't want to do it  
but i had to for my smile  
picture this  
what, do you think i liked it  
are you stupid, are you nuts  
i'd show you how i did it  
but you haven't got the guts  
i didn't want to do it  
but i had to for my smile  
it takes a special person  
to go that extra mile  
picture this  
and the thighs, and i cried  
and i tried forgetting highs  
on attack, all was black  
get the writing off my back  
get off me
