How about hero, how about hell  
Complete zero, conversation hell  
How about road smear, not a quirk  
Tank topped jerk named Dirk How  
about jacked, beach racer stacked  
How about drag butt, Shades McCoy  
Buttershift nut, high-heeled petting toy.  
How about phony, Playboy Bob  
Members Only, destination flop How  
about hitchhike, stiletto bike  
How about hero, how about hell  
Complete zero, conversation hell  
How about drag butt, Shades McCoy  
Buttershift nut, high-heeled petting toy.  
How about road smear, camaro leer
