Voices will be quiet still, I hear their echo land
Pink drinks, Alice should sink, but no, oh, oh, oh
Always leavin' a poolroom, a bar, a girl

Lost for sure around, need more, oh, oh
Drowned, then blew apart
Circle things, spin and sing, but no, oh, oh, oh

High up the stairs, take a right, it's a teenage dream
Who got in a fight at the bell?
Where did the home team go, oh?

High up the stairs, take a right, it's a teenage dream
Who got in a fight at the bell?
Where did the home team go, oh?

Hoping you are behind each door, oh, oh
We'll sing woo woo, loud
Views to hills, freedom cruise, but oh, oh, oh

Always leavin' a poolroom, a bar, a girl
Got lost for sure around

High up the stairs, take a right, it's a teenage dream
Who got in a fight at the bell?
Where did the home team go, oh, oh, oh?
