"Control"

All I am is in your hands
You say you don't understand
So pretty when you laugh
Don't let this time pass
I can't think to take away the pain
With you flowing through my veins
Like a rainbow shining in my rain
Spelling out your name.

Tonight
I'm so in love with you
And I don't know what to do
But I'm telling you that I can't take control.

The heart breaks
Knowing where you are
I don't need your help to fall apart
And my thinking's getting kinda slow
There's one thing that I know

Tonight
I'm so in love with you
And I don't know what to do
But I'm telling you that I can't take control
I'm losing control

Tonight
I'm so in love with you
And I don't know what to do
But I'm telling you that I can't take control.

Oh yeah
