Standing by the phone
Wishing you'd come home
Well im saying i'll be fine
While your kissing me goodbye

But you don't think it's good enough
And i don't really want to waste that stuff
Cause i want you to know
That when im down and im feeling so low

She's a bomb

Holding on my heart
But you're tearing it apart
But you don't think it's good enough
And i don't really want to waste that stuff
Cause i want you to know
That when im down and im feeling so low

She's a bomb
