Here she comes maybe this time she'll smile at me  
There she goes out with a girl how could it be

Sellout sellout uhh...  
She brings me down now

So we go out to a rock show just for fun  
Then she says that she is a lesbian

Sellout sellout uhh...  
She's in my head now  
And she said, she said  
She'll be around tonight, I think she'll be around  
Tonight  
She'll be around tonight, she'll be around tonight  
She'll be around tonight

She don't see me in her dreams alone at night  
If you see her tell her girlfriend to treat her right

Sellout sellout uhh...  
She brings me down now  
And she said, she said  
She'll be around tonight, I think she'll be around  
Tonight  
She'll be around tonight, she'll be around tonight  
She'll be around tonight

Sellout sellout uhh...  
She brings me down now  
Sellout sellout uhh...  
She's in my head now  
And she said, she said  
She'll be around tonight, I think she'll be around  
Tonight

Woh, oh, ohh...  
Woh, oh, ohh...  
Woh, oh, ohh...

Ye, ye, Yeah...

Ye, ye, Yeah...

Ye, ye, Yeah...

Ye, ye, Yeah...
