Work a little play, a little...  
Play a lot, play a little...  
Amp BPM  
This fire is cold, but the irony is cool  
I'm tired, but I can't shut my eye,  
it's the truth!  
Lie, I'm too!  
life, better put some extra nails in my coffin,  
Or I'll get loose, tonight!

Why am I doing this?  
It's such a stake every time...  
I must be out of my mind, wake up, so...  
Lose from composure! ...

Play a lot, play a little, seek the...  
BPM! Work a little play, a little...

I'm tired, but I can't shut my eye,  
it's the truth!  
Lie, I'm too!  
life, better put some extra nails in my coffin,  
Or I'll get loose, tonight!

This extreme, this is...  
Pick me up more, get me rush more  
Not the monument, don't deny me...  
don't let me down, yeah  
I need some more time with it,  
but you should be excited  
We drown together, this lake is so cold  
We're so feverish,  
don't even know this till the surface starts freezing...  
It's the greatest break,  
can't even break this with a great review...

This fire is cold, but the irony is cool  
I'm tired, but I can't shut my eye,  
it's the truth!  
Lie, I'm too!  
life, better put some extra nails in my coffin,

Or I'll get loose, tonight! (x2)
