In the studio I spend long hour  
Is the long hour of this rap shit vision  
And monition I front out of it  
You want some shit now you ain't checking in  
Took the wrong model this is Ted .. first cuban  
North west side and now I am moving ,  
Do the same different can you dig it  
I am .. the lame, lame was the ,  
Either way it fits that is what she said  
I've been slapped and pissed like kids with ,  
Cats are flee bags my dogs some names  
You got to put up the good fight then I spread my ,  
Are you a tiger this is how I trained some way the  
danger ,  
Get their hostage negotiation so what happens inside ..  
a song  
Yeah lame stream .. move your ass to it  
Talking about that shit preach  
Yeah lame stream .. move your ass to it  
Talking about that shit preach  
Let us stitch this party sure is early  
But I am trying to spread this word missionary  
Feeling like David Brown pushing thirty if it don't  
happen to me soon  
World you should worry did you hear me frigid air me  
that means blow me  
Call me Christmas caroling I am in the spirit many  
spirits  
,like a TJ boy so eat your pork and beans court your  
greens and some .. greens  
I will remove sort from sheet remove their top like  
saint Helens look on their face oh is me  
See them standing about ..  
and their bitch ass glory and enhances my move like  
some saint .. worthy  
Tour your plans like .. now throw up your hands .. grass  
is  
Yeah lame stream .. move your ass to it  
Talking about that shit preach  
Yeah lame stream .. move your ass to it  
Talking about that shit preach

You might be the king double wrapper  
You are about to sink this money waters  
No willy .. there is no chocolate river is best I can give  
you  
In terms of a visual smells like the honey bucket but  
mine is the .. after a hundred  
Month ever used no making .. see where I am getting  
with that  
I get on the dancefloor and shake what is .. you no hate  
to top forty pop  
Call about movements on a , of attention Spain we just  
let it pass  
.. I am hating but I am not I listen to the radio a  
lot .. is my favorite shit  
Yeah lame stream .. move your ass to it  
Talking about that shit preach  
Yeah lame stream .. move your ass to it  
Talking about that shit preach  
Yeah lame stream .. move your ass to it  
Talking about that shit preach  
Yeah lame stream .. move your ass to it  
Talking about that shit preach
