I could not say
it would hurt me so unkindly
Oh, I just could not know,
it would tear my heart [f&ç&â, -Â™](#) n soul, yeah

But as lonely days go by, I get to know
that you [f&ç&â, -Â™](#) re gone and you [f&ç&â, -Â™](#) re
never coming back home

I [f&ç&â, -Â™](#) m lying outside
I [f&ç&â, -Â™](#) m fighting my demons all alone
I wonder, there [f&ç&â, -Â™](#) s an easy way
I could take this pain away from me

[f&ç&â, -Â™](#) Cause these voices keep on groaning
things we left unsaid
Well, right now I [f&ç&â, -Â™](#) m just a woman feeling
bad [f&ç&â, -Â™](#)!
that [f&ç&â, -Â™](#) s what I am [f&ç&â, -Â™](#)!

So who [f&ç&â, -Â™](#) s to blame?
When all the love turns into shame
So who [f&ç&â, -Â™](#) s to blame now?
that all my hope has faded away

[f&ç&â, -Â™](#) Still those voices keep on groaning
things we left unsaid
Well, right now I [f&ç&â, -Â™](#) m just a woman,
Well, right now I [f&ç&â, -Â™](#) m just a woman,
Well, right now I [f&ç&â, -Â™](#) m just a woman feeling
bad [f&ç&â, -Â™](#)!
