Do it live and growing steady
In your eyes I feel that love
Just look inside of me
I don't know if I'm all ready
I don't wanna come and go
My love, my love is real

I, I need you baby,
I, I miss you baby,
Oh, oh, lady
I, I need you baby,
I, I miss you baby,
Oh, oh, lady

La la la la la la la la la la la,
Oh, oh, lady
La la la la la la la la la la la,
Why don't you stay lady

Do it live and growing steady
In your eyes I feel that love
Just look inside of me
I don't know if I'm all ready
I don't wanna come and go
My love, my love is real

I, I need you baby,
I, I miss you baby,
Oh, oh, lady
I, I need you baby,
I, I miss you baby,
Oh, oh, lady

La la la la la la la la la la la,
Oh, oh, lady
La la la la la la la la la la la,
Why don't you stay lady.
