I was made in England
Out of Cadillac muscle
I had a quit-me father
I had a love-me mother
I had a little Richard
And that black piano
Oh that sweet Georgia Peach
And the boy from Tupelo

Wow oh oh oh I was made in England
Wow oh oh oh I was made in England

I was made in England
Out of Cadillac muscle
Face down on a playground
Crying God send me a brother
Not a bloody nose
For rock-'n'-roll
Give me that sweet Georgian Peach
And the boy from Tupelo

Wow oh oh oh I was made in England
Wow oh oh oh I was made in England

I was made in England
Like a blue Cortina
But a Yankee summer
Had a way about her
You had a scent for scandal
Well here's my middle finger
I had forty years of pain
And nothing to cling to

Wow oh oh oh I was made in England
Wow oh oh oh I was made in England

If you're made in England
You're built to last
You can still say homo
And everybody laughs
But the joke's on you

You never read the song
They all think they know
But they've got all got it wrong-

Wow oh oh oh I was made in England Wow oh oh oh I
was made in England
