I have to say my friends  
This road goes a long, long way  
And if we're going to find the end  
We're gonna need a helping hand

I have to say my friends  
We're looking for a light ahead  
In the distance a candle burns  
Salvation keeps the hungry children fed

It's gotta take a lot of salvation  
What we need are willing hands  
You must feel the sweat in your eyes  
You must understand salvation

A chance to put the devil down  
Without the fear of hell  
Salvation spreads the gospel round  
And free you from yourself
