When I think of those East End lights  
Muggy nights  
The curtains drawn in the little room downstairs  
Prima Donna lord you really should have been there  
Sitting like a princess perched in her electric chair  
And it's one more beer  
And I don't hear you anymore  
We've all gone crazy lately  
My friends out there rolling round the basement floor

And someone saved my life tonight sugar bear  
You almost had your hooks in me didn't you dear  
You nearly had me roped and tied  
Altar-bound, hypnotized  
Sweet freedom whispered in my ear  
You're a butterfly  
And butterflies are free to fly  
Fly away, high away bye bye

I never realised the passing hours  
Of evening showers  
A slip noose hanging in my darkest dreams  
I'm strangled by your haunted social scene  
Just a pawn out-played by a dominating queen  
It's four o'clock in the morning  
Damn it listen to me good  
I'm sleeping with myself tonight  
Saved in time, thank God my music's still alive

And I would have walked head on into the deep end of  
the river  
Clinging to your stocks and bonds  
Paying your H.P. demands forever  
They're coming in the morning with a truck to take me  
home  
Someone saved my life tonight, someone saved my  
life tonight  
Someone saved my life tonight, someone saved my  
life tonight  
Someone saved my life tonight  
So save your strength and run the field you play alone
