There's a place up ahead and I'm going  
Just as fast as my feet can fly  
Come away, come away if you're going  
Leave the sinking ships behind

Come on \_\_  
We're going up around the bend

Bring a song and a smile for the banjo  
Better get while the getting's good  
Hitch a ride to the end of the highway  
Where the neon \_\_ wood

You can ponder perpetual motion  
\_\_ your mind on a crystal day  
Always time for a good conversation  
There's an ear for what you say

Catch a ride to the end of the highway  
And we'll meet by the big red tree  
There's a place up ahead and I'm going  
Come along, come along with me
