You can win the fight, you can grab a piece of the sky  
You can break the rules but before you try  
You gotta love someone  
You gotta love someone

You can stop the world, steal the face from the moon  
You can beat the clock, but before high noon  
You gotta love someone  
You gotta love someone

You've got one life with a reason  
You need two hearts on one side  
When you stand alone and there's no one there  
To share the way it feels inside and baby

You can cheat the devil and slice a piece of the sun  
Burn up the highway but before you run  
You gotta love someone  
You gotta love someone

When you're gonna play with fire  
You let someone share the heat  
When you're on your own and there's no one there  
To cool the flames beneath your feet and baby

You can win the fight, you can grab a piece of the sky  
You can break the rules but before you try  
You gotta love someone  
You gotta love someone

You gotta love someone  
You gotta love someone
