We hear the marching of footsteps  
The rhythmic pulses of, "TEN HUP, TEN HUP, TEN HUP!"  
The bridge that looms in the distance  
Has lead our way with a, "TEN HUP, TEN HUP, TEN HUP!"

The book, it told me to say, "YES, SIR!"  
The foot soldiers, they say a, "YES, SIR!"  
The leader wants for us all to, "YES, SIR!"  
Will footsteps quicken the fall? Well, "YES, SIR!"

Are you questioning me? Well, "NO, SIR!"  
Have I not taught you to be? Well, "NO, SIR!"  
My image thrust onto thee? Well, "NO, SIR!"  
I always wanted to be a soldier!

Break-step, soldier  
You cannot cross  
Break-step, soldier  
Put your arms down  
Break-step, soldier  
You cannot cross  
Break-step, soldier  
Put your arms down

The book it told me to say, "Yes, sir!"  
The foot soldiers, they say a, "Yes, sir!"  
The leader wants for us all to, "Yes, sir!"  
Will footsteps quicken the fall?

If we allow them to cross  
They'll surely break this bridge  
With their rhythmic procession of perfect steps  
And if we allow them to cross  
They'll surely break this bridge  
With their rhythmic procession of empty steps!

The book it told me to say, "Yes, sir!"  
The foot soldiers, they say a, "Yes, sir!"  
The leader wants for us all to, "Yes, sir!"  
Will footsteps quicken the fall?

Are you questioning me? Well, "No, sir!"  
Have I not taught you to be? Well, "No, sir!"  
My image thrust onto thee? Well, "No, sir!"  
I always wanted to be a soldier!
