She says  
"I'm sorry darling  
But there's no changes to this script."  
And she says she says  
"Besides baby,  
You play the fool now oh so well."

"And what's the point  
in honesty  
when what we've got

"I'm sorry darling  
but there's no changes to this script.

poetic harmony.  
now baby won't  
you lie to me  
I need to see  
you lie to me."

Is this what you wanted?

Congratulations, you got it,  
My shattered spirit's  
yours alone.  
Please tell me  
How this all started,  
Wait, I think I've got it  
I couldn't bear to  
Be alone.

I never wanted this.
