So toss out the fucking books  
Erase this chapter from my life

It was all a fucking lie  
Every single word she said  
Erase these emotions from my heart

I'll run  
You'll hide  
We'll say  
Goodbye  
We're all  
The same  
We're all alone

We are alone  
We are alone  
We are alone  
We are...  
We are alone  
We are alone  
We are alone  
We are...

This all has been a lie  
Erase this from my life  
It's all a fucking lie  
Erase my fucking life  
This all has been a lie  
Erase this from my life

We are alone  
We are alone

It was all a fucking lie  
So toss out the fucking books  
Erase this chapter from my life  
It was all a fucking lie  
Every single word she said  
Erase this from my heart

We are alone  
We are alone  
We are alone  
We are alone  
We are...
