[Chorus 1]

Like a star slipping out of place
Sliding from the sky
Tumbling through space
When you touch my hand
I swear I feel like I'm ballin'
(Ballin', Ballin', Ballin', Ballin')
Yeh ballin'
(Ballin', Ballin', Ballin', Ballin')
Like a wheel
Whirling round and round
Rolling down a hill (rollin' down a hill)
Spinning on the ground (rollin' down a hill)
Your kissing makes me dizzy yeh
In the head (ooh yeh)
And I'm ballin'
I'm ballin'

[Verse 1]

Hmm, I love this game coz this game love me back
I'm pushing a lac, smoking sacs like a mad mac
Bringing me back, banging the 8-track track
The Dramatics and Battle Cat and Snoop like that
Big stars in big cars we pull up at the big clubs and sit
at the big bars
Sippin' champaign with a bowl of cavier
Hell yeh you are, yeh you are
Say it say it, coz they all deny it
Player play it, coz you cant deny it
As fly as it get, as fly as I spit you know its the shit
It's so gangsta, gangsta bitch
Switch back to the old school, old fools know
This here thang we do so original
I got to have it, lavish
Is how we establish
On the real love one it feels good to have

[Chorus 2]

Like a rose, flippin down the street
Looking oh so sweet (lookin' oh so sweet)
Bumpin to the beat (bumpin to the beat)

These streets they keep me busy yeh

Makin' bread

And I'm ballin'

(Ballin', Ballin', Ballin', Ballin')

Yeh ballin'

(Ballin', Ballin', Ballin', Ballin')

Oh here I go!

Ballin making dough

Working for myself

Coz it thrills me so

I keep women on my line

Coz they know

That I'm ballin'

(Ballin', Ballin', Ballin', Ballin')

Yeh ballin'

(Ballin', Ballin', Ballin', Ballin')

Oh here I go!

Driving down the road

I can't help myself

Ballin' Thrills me so

Yeh you blew my mind

And I know , I'm ballin'

(Ballin', Ballin', Ballin', Ballin')

Yeh ballin'

(Ballin', Ballin', Ballin', Ballin')

[Verse 2]

Do that, who that, you that one they called on

Baller' get your ball on

It's all on now fall on to a new groove

Really aint nothing to prove

We, set the mood

Or shoot some pool

Or blaze a Cool

What? Whatup fool

Now you can cruise if you choose but I prefer to do the
cha-cha

And once my small kitchen ?throw?

You know I gotcha

Watch out, no need to pull your glock out

It's a players affair, now

Look at my hair and the girls wit me

They got the same thang on

Pimp pimp parade, my nigga get your bang on

Coz my uncles about to get their sang on

And all round the world, my nigga, it's the same song

And when its time for your callin', fallin', wit no stallin'
keep it ballin'

[Chorus 3]

He starts to mill

Just rollin' tru his town
Stacking dollar bills (stacking dollar bills)
Raising dogg pound (he be raising the dog pound)
Becasuse he's loved
Loved in every city
Thats why he's ballin'
(Ballin', Ballin', Ballin', Ballin')
Yeh ballin'
(Ballin', Ballin', Ballin', Ballin')

[verse 3]

There it is coz it is there
Now have a seat and come hit the game from a player
They say time brings change and change brings time
It's so genuine and so divine
It's been so long in fact its overdue
Now tell me baby girl what can D-O-DOUBLE-G do for
you
I fell for you, I'll always look over you
Theres really not much that a player would'nt do for
you
So quit stallin' and fallin'
And come get a bar of some of this ballin'
Now quit stallin' and callin'
And come get yaself a bar of this ballin'

[Outro]

Yeh thats right, this is ahh, radio station 187.4 DG
Sock it to your ass
With something from The Dramatics
And Snoop Dog
Let them spot that ok
It's another one of those world premiers
Doin' it to ya doggystyle, in ya air hole
for the 2000 plus 1, yeh
