A brother sayin hi to you (say it)
I really wouldn't lie to you
I wanna get inside of you
Inside of you, what you try to do (can I hit it)
A brother sayin hi to you (wish me luck)
I really wouldn't lie to you (yea)
I wanna be inside of you (fo real)
And after I do, goodbye to you

Verse 1:

Watch my floors fo' sho', hock up the kitchen
Suck me dry, let's get high, then wash the dishes
You get three wishes if you're cute and ambitious
Like Tisha and Denisha, boy them chickens was vicious
Wicked, how I kick it, I stick it in the eye
Oops, slid it on the accident
But, when I first met her she was so ???
So it made no sense why she did that for the hell of it
We did it on the wall, me and my dogg
And I met her at the mall
Lakewood, so good, when I be inside of you
I'm just tryna freak it, make it fly for you
Make you wanna come back and get another piece
And share with your peoples and tell your little niece
My khackis every crease with the rubber in my pocket
Ride it, devide it, and please don't knock it til you tried
it

Chorus:

A brother sayin hi to you
I wanna be inside of you
I know I'm lookin fly to you
I wouldn't lie to you, what'cha tryna do
A brother sayin hi to you
You know I wouldn't lie to you
I wanna be inside of you
And after I do, goodbye to you

Verse 2:

Ay ay, baby who with cause your thang like tendin girl
Get it wit your fit in, and welcome to my world
Fancy cars, yachts n pools, basketball courts that's
made for high schools
Backyard full of dogs, got a pawn full of fish
But a bad girl, I think that's all that's missin from my list
Unless you wanna be the girl that fill that void-acap
