[Snoop Dogg]

Well it's the super duper Snoopa once again I'm on the fly

Swoopin through I'm in my coupe and all the bitches want a ride

If it's trippin like I'm clippin I'm still grippin on my nine  
We be Crip'n while I'm dippin with my C's up in the sky  
And the East is still my side, I'm a reaper when I ride  
Fuck a feature, I don't need a motherfucker, I'm the guy

I delete 'em, stampede 'em, straight eat 'em like some fries

Get a ketchup, get 'em messed up, turn the heat up let 'em fry

Ain't no different when I'm rippin, pimpin's still up in his prime

TV shows, movie hoes, pimpin's still up on his grind  
Man these hoes don't know, I'm workin with a nine  
I ain't talkin 'bout a gun, I'm talkin feel it in your spine  
when I hit it from behind, if I go up in your mouth  
I might hit you in the mind, you know what I'm talkin 'bout

It'll thrill ya, I'm the stealer that'll kill ya with the rhythm of a trigger

Motherfucker better duck before I hit her, bang!

[Chorus]

Dogg-y Dogg, is all, you need

So love, the Dogg, like we, love weed

(Breathe in) Breathe in (breathe out) let it out

(Breathe in) Breathe in (breathe out) let it out

(Breathe in) Breathe in (breathe out) let it out

(Breathe in) Breathe in (breathe out) let it out

[Snoop Dogg]

You niggaz mad cause I done came and crept up back up on the scene

This is bye, retire, I'm still spittin gasoline

I'm a gangsta motherfucker what the fuck you think that means?

Little nigga I'm the king, I ain't givin up a thing

If you want it come and take it nigga, I'll be sittin waitin  
Make a patient nigga got the other ear and I'll bake a  
nigga  
Fuck it put the gun down, and straight bank a nigga  
Take it nigga, take it nigga fuck, you ain't this nigga  
.. Slow down my turbo flow  
.. Inhale my doe-doe smoke  
.. Okay I let the fo'-fo' blow  
And the po-po know, that's why they on my dick  
And they at my crib, tryin to find my shit  
Tryin to search my house, what the fuck that's 'bout?  
I ain't givin up shit, you can search that bitch  
I ain't got nuttin Jack; get the fuck on back

[Chorus] ? 2X
