[Intro]

[Thurgood of PJ's]

Yeah, get up, get down

That's what P Funk say

[Snoop]

Get your money man, it's hard out there

It's hard out there, dogg

What, yeah, huh

Get yours, get yours, get yours

Shootin' dice on length with a couple of G's

Dust off my knees, twist off my cap and breathe

Jump in the six-four, sittin' on D

Spit a few caps at my enemies

Please, freeze, there's a new sheriff in town

Livin' in the projects, Dogg Pound Pound

No father figure, just gangbang nigga

Cuz they give it up quicker and they learn to pull a trigger

All role models on TV

Most of us ain't got a TV, you feel me?

Shit, Michael Jordan don't come through

I bet the nigga get the money when it time to sell his shoe

I'm telling you, I ain't puttin' him down

Cuz I love him to death but I ain't ever seen him in my town

But you could see Snoop Dogg everyday

I'm boss to the blocks like the projects in the PJ's

Yeah, for those of you who don't know

This is the land of the scandalous and cut throats

Child support- that's unheard of

Number one crime in the motherfucker- murder

Ya heard me? Hmm, I'ma stay down

For the get down, from a puppy to the big dogg

Put that on the penthouse

Life in the projects, bang, bang, pow, pow

Is how it sounds

[Chorus]

Life in the projects
Where it's hard to get by
But you got it cuz your spot's gettin' hotter
Life in the projects
Where grass is cheese and cheese is power
Life in the projects
Where you got to have the will to know how
Know how to do what? Survive
Life in the projects
You got to get yours cuz I'ma get mine

Life in the project
