You know, I've been around the world and ay yi yi

I've met a lot of people, and what I've to come find out
is that
people of the same, they are share the same fears
share the same tears, and die over the years
So..I'm just gon' be thankful to get what I got
and hold on to what I have
Can ya dig that? (yes)
And what I do, I do for the benefit of me and my kids
Dig that (talk to me Boss, uhh)

[Chorus I ? Snoop Dogg] + Bootsy Collins
I'm so glad, I've got my own
So glad that I can see
My life's a natural high
And they can't put no thang on me

My life's a natural high
But they can't put no thang on me
